

Part of Singapore Green Building Council Member

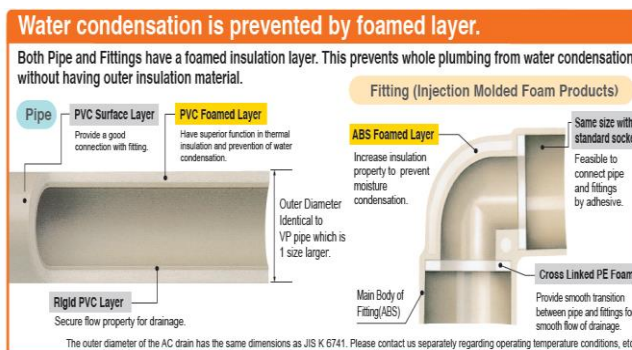

We, Sekisui Singapore Pte Ltd is proud to announce that we are part of the SGBC as a member as of 2024.

With emphasis on providing greener products and services, we are consistently working on improving the process of manufacturing our products.

Together with SGBC, we strive towards environmental sustainability in the Singapore building and construction industry for better living.

Our Sekisui Eslon AC Drain system (2 ticks certified) is currently provided to the market and we continuously aim to provide more products to the market.
